Junior Achievement

Although Junior Achievement is not a part of the school's extracurricular program directly; it does, nevertheless, contribute a great deal to the betterment of the students who participate in the various companies of the JA program. Several members of our student body served as officers and participants in several different companies.

Student Council

The Student Council is the governing body of our school. Representatives of each club and class are chosen to membership in the Council. Then, from these representatives, officers are chosen. This year's officers are: President, Karen Fry; Vice President, Mike Robertson; Secretary, Susan Gillette; and Treasurer, Beverly Shearer. Mr. McLaury is the advisor to the group.

The Student Council meets bi-weekly and works on various projects. The Council is in charge of the Homecoming, the Carnival, the student store, and recreation room clean-up.

This year the group has worked extensively on a student handbook. The handbook will contain information on how much our school cost, how it was built, traditions of the school, school songs, cheerleaders, athletics, map of the school, and much other information of value to newcomers. The handbook will help the freshmen become acquainted with our school and also realize the high standards we have established.

The band performed its best at halftime of each football game, the Band Day Show at the University of Michigan, the Christmas and Spring Concerts, and the State Fair. Honor members were chosen for the Cascade Conference Band and a concert was given at Parma Western. Individuals entered the Solo and Ensemble Festival, some receiving "one" ratings and going on to compete at the State Solo and Ensemble Contest. The band also received a "one" rating in the Band Festival (District) and went on to compete in the State Festival. This "one" rating was the first in seven years. At the State Contest the band received a "two" rating. This was very good and made the school proud.

Next season our respected team will again fight for the Cascades Conference title.

Michigan Center compiled a record of nine wins and nine losses during the 1961-1962 season. The team lost six of the nine games by three points or less. The Cardinals lost the season's last league game to the conference champions, Western, by only three points.

Center won the first two decisions in the tournaments by eliminating Northwest and Chelsea. One of the most exciting games seen in the Jackson area for many years was played between Jackson St. Johns and Center in the Class "B" tournament final. The game went into two overtimes only to see the Gaels come out on top, 72-70.

Robert Fisher was the top scorer on the Center team and was second in the conference. Garry Willis was the second high Cardinal scorer and tied a school record of 32 points in one game in the St. Johns tourney game.

The Cards scored a total of 863 points and held their opponents to 799 points.

Many teams were surprised by the Cardinals' fine showings this year after the loss of many top notch performers over the last few years. The successful season was due to the performances of such boys as Dan Talmage, Gary Prieskorn, Tom Howard, and Glynn Bowen.

Congratulations, Seniors:

Congratulations, and the best of luck. Senior pictures are important, and there's no need to have yours, less than the best.

Confidentially, we have a wonderful gift for you, and a special gift for your parents, when you have your pictures made at Dunhanna.

Good pictures, personally posed, and lighted to show the "good" you, with special attention if you have a problem, is the kind of pictures you need. Dunhanna pictures "do" more for you. You will be proud to show and give your senior picture, by Dunhanna.

We have special student prices, that make the cost no greater than ordinary school pictures. You will get complete personal attention to every detail, to show the best that is you.

In fairness to yourself, you should have your picture taken by Dunhanna, and get your set of preview proofs. Then compare them with any other. You've nothing to lose, and much to gain by comparing Dunhanna pictures with other school pictures. Good luck.

Don,

I don't think I'll ever be able to tell you jusk how much I've always thought of you. You're so difference from all the other guys. You don't seem to miss a day that you never say something nice to someone. I always liked that. You're always a LOT of fun and never a bore.

Remember all the fun had at the basketball games?? And dances?? Lee, I wish we had more school years left for games and dances together.

I can't tell you how much all those gifts meant to me. I've got a necklace that reminds me of you every day. I just love it and always will. Remember that BIG Valentine you gave me, I've still got it. Gosh it's pretty.

Oh, I know something you'll never forget. The day you brought my Christmas present. I looked "TERRIBLE." Curlers, old blouse, flour all over me from making cookies. I know you haven't see me in WORSE shape. You poor thing, it must of been quite a SHOCK!!

If I ever started to tell you what kind of a guy you were I'd just run out of room, but I'm sure I don't have to tell you what kind of guy you are, as long as you know how much I think of you!

Best of Luck to M.C.H.S.'s best singer!

Love ya!
